FIRM NAME AND ADDRESS

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 20 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436. Please report below the actual number of hours required and the cost to your firm of preparing the reply to this questionnaire and completing the form.

_____ hours _____ dollars

OPERATIONS IN CHINA

1. Please report production capacity, production, shipments, and inventories of non-malleable cast iron pipe fittings produced by your firm in China on page 5.
2. What percentage of your firm's total sales in its most recent fiscal year was represented by sales of non-malleable cast iron pipe fittings?
